Instructions to Financial Secretaries

Under head of "Remarks," enter date and facts whenever a member takes a Clearance Card; also if Suspended or Expelled, mention date and facts, and if Admitted on Card or if he Dies or Resigns, also note the date, etc., under head of "Remarks."

When any moneys are paid by a member, be sure and enter the same on the Credit (Cr.) side of the Ledger. Enter exact date of payment and full amount of payment on a line with the month when the money is paid.

How to use this book

A great many wooden ships were built in the area in connection with World War I. These were constructed by the Members of Shipwrights Local # 1500.

Each Union Local is assigned a number by the National Headquarters. Local # 1500 covered the area around Astoria, Clatsop county, Oregon. Members could join and be initiated here, or transfer in or out from another Local in another area. This is usually listed in the REMARKS column.

Some entries were not listed in the handwritten index. These have been typed in the approximate alphabetical area of the INDEX.

Most entries have a birthdate and address listed. City Directories or Sanborn maps may help you locate the address within the town.

Under REMARKS you will find :

- all dropped*
Grandford
fixed
C
CC, Granted CC
 - Dropped from membership, most likely for non-payment of dues.
 - Transferred, to another Local, number, city and state may be listed.
 - fined, could be for paying dues late.
 - credit for dues paid to apply to next year
 - Granted clearance card in order to transfer to another Local

There are also entries which say the person was drafted, enlisted or serving in war, serving in Merchant Marine, as well as being expelled from the Local.

When shipbuilding slackened off, Local # 1500 merged with Carpenters Local # 780 in Astoria, about sixty years after this ledger was kept.

Please keep in mind the variations in spelling for names, street names, etc. Some street names may be changed now.
